

**Six Pump Court Chambers**  
**is delighted to invite you to attend a webinar**

*“Solar Salt Projects in Africa – A discussion of the key environmental & legal issues  
Top tips from leading industry & legal practitioners/experts”*

This webinar brings together legal and industry experts to address key environmental and legal issues arising out of large international projects and how to best utilize arbitration. With perspectives from Australia, Africa and the UK, the speakers will look at problems in such large projects in tricky legal neighbourhoods plus top tips on how this can be made more effective.

Topics include;

- How to make a successful project in a tricky neighbourhood;
- Managing risk and sovereign risk;
- Best use of arbitration;
- Environmental issues which arise and how to deal with them.

The webinar will be chaired by **Stephen Hockman QC** and will take place on  
**28 May 2021 11 am – 12. 15 pm British Summer Time.**

Details of the speakers are provided in the attached flyer.

**To book:** There is no charge for this webinar and you can [register here](#). After registering you will receive an email containing the joining instructions and link.
