Public Access – Motoring Offences (Summary Only)

I can advise and represent you in court if you are charged with a 'summary only' motoring offence. This is a motoring offence which can only be heard in the Magistrates' Court; for example, driving while disqualified, driving without insurance, careless driving, failing to stop or report, and speeding.

Timescales

Timescales for my services may vary depending on factors such as my availability, the complexity of your case and the need for additional documents. As a guide, written advice on your case will be available within two to four weeks where possible. You may also need representation at short notice. If so, please contact the clerks and I will aim to represent you at the hearing where possible.

Fees

I may charge fixed fees, which means that you will be charged a set amount of money for the work. Below I have provided estimates based on average fixed fees for my work. All fees also are charged VAT on top of the amounts set out below (where applicable).

If you are charged fixed fees, these may vary depending on your needs – for example, your fees may be towards the higher end of the range if you need more detailed advice and/or you have a more complex case. If you have a particularly complex case, your fees may also be higher than the estimates below. My fees are also determined by other factors, such as the time needed to travel to hearings and how organised the documents might be.

Your case may require charging on an hourly basis, in which case my fees of £150 plus VAT per hour will apply.
