

SIX PUMP COURT CHAMBERS
REGULATORY AND PLANNING LAW CONFERENCE 2017 (LEEDS)
(5 CPD points)

[Six Pump Court](#) is very pleased to invite you to its *Regulatory and Planning Law Conference 2017* which will cover a variety of topics providing essential updates on specialist areas, informative discussion on topical issues and practical tips for regulators and for those who represent the regulated.

Six Pump Court is a leading set in regulatory, planning and environmental law. In 2015 it was acknowledged by the Legal 500 as Environment and Planning Set of the Year and has previously been recognised as Health and Safety Set of the Year at the Chambers UK Bar Awards. Its members regularly appear in high profile litigation.

“Member of 6 Pump Court are ‘experts’ in the field, praised particularly for their regulatory expertise.”

Legal 500 (2016)

“Impressive set whose members act for both regulators and defendants in cases spanning many industry sectors including energy, construction, mining, defence and sports.”

“The team of barristers is strong enough that even when a case is called on at short notice a proper level of cover can always be made available.”

Chambers UK Bar Guide (2016)
